THE CHARLEROI MAIL

VOL. XVIII. NO. 25. CHARLEROI, WASHINGTON CO., SATURDAY, JULY 14, 1917. ONE CENT

KEYSTONE STATE'S QUOTA OF MEN FOR SELECTIVE DRAFT IS 60,859

Gets Credit for Over 37,000 Because of Guard and Regular Army Recruits

1,800 TO GO FROM COUNTY

Pennsylvania will be called to furnish 60,859 men under the selective draft, which is expected to take place next week. The gross number of men to be seleced from this state was 98,277, but a credit of 37,418 men is given for those who are now in the National Guard and for those who have volunteered in the Regular army

Washington county's share of this number will be approximately 1,000 among the different districts of the county, the Fifth District being called upon likely to furnish the greater number, because it is the largest district in the county. The way is all clear now for the draft and the date when the men will be selected will be announced within a few days. Some States have not yet made a report,owing to the fact that som of the Districts have not completed all their details, but all these things are expected to be out of the way within a short time, thus clearing up all preliminaries. The date of the draft cannot be announced until every district in the United States has made its report, but war department officials are hopeful of being ready to fix the date early in the coming week. The war department estimates that 687,000 men will be required to make up the new National Army and fill up the National Guard and the Regular Army to full quotas. In order to get this number of men it is possible that a million and a half may be summoned Many will be lost because of exemption from one cause and another, the Fifth district being particularly hard hit because many of the men registered are aliens.

DR. NORMAN SUFFERING FROM FRACTURED HIP

An X-ray examinatio · o' the injuries received by Rev. Dr. Norman of St. Paul's Episcopal church of Monongahela on Monday last revealed the fact that he was suffering from a fractured hip. Dr. Norman's advanced age makes his condition somewhat serious and friends are very solicitous as to the outcome. Dr. Norman has been the rector of St. Paul's church in Monongahela for 47 years and it was intimated some time ago that he would retire this year. He is now a patient in the Memorial hospital at Monongahela.

O. E. that is serving in the armies of the United States for the period of the war.

PENNSYLVANIA GUARDSMEN ARE ASSIGNED TO THE AUGUSTA CAMP

One of the Finest Military Sites for a Camp in the South

WIL BE SEVENTH DIVISION

Pennsylvania's National Guard will be mustered into the servic of the United State as the Seventh Division and will go into camp at Augusta, Ga., for preliminary training prior to their departure for duty in France. The Guard will be under the command of the same officers who had charge of them last summer on the Mexican border and will bear the same Division number, as Pennsylvania is one of the two states in the Union whose troops constitute one full Division, the other state being New York, whose men will go to Spartensburg, S. C. They have been designated the Sixth Division.

The site selected for the troops at Augusta is said to be one of the finest military camp sites in the South. It is an average of 500 feet above the sea level on a range of pine-clad sand hills lying west of the city and adjacent to Augusta's famous winter hotels. Augusta has been famed for 50 years as a winter resort and is noted for the dryness of its climate.

The Pennsylvania Guard will be sent South just as soon as the new quarters at that point can be made ready for the men, which will likely be within the next [illegible] three weeks. A Board of Survey [illegible] sent about

Col. Barnett Asks That Every Woman in the County Register

WANT ALL TO DO THEIR PART

Col. James E. Barnett, chairman of the Washington County Public Safety Committee, has asked that the women of the county who are being registered in the Hoover food campaign each sign a separate card. If there are four or a dozen women in the household over 15 years of age, whether employes or members of the family, he asks that four or twelve cards be turned in.

Furthermore those in charge of the registration are asked to make a special effort [illegible] in the churches to have as many cards signed as possible.

Mr. Hoover has asked that Pennsylvania make a 100 per cent registration. To accomplish this, every women should sign a card, not as an admission that she has not been economizing nor to bring her under the law for food waste, but merely to go on reord that she intends to do her part in the conservation of food in an effort to end the war as quickly as possible.

The commitees in charge of the registration of the women of Charleroi are making good progress, but to make it a complete success, it is necessary that every women in town give her support to the movement.

FIRST PICTURES OF U. S. SOLDIERS ABROAD AT COYLE

FRANK SAMPLE SLIPS AWAY TO BE MARRIED

Frank Sample, a popular conductor on the Pittsburg-Charleroi car line, gave his friends the slip about a month ago, and in company with Miss Gertrude Rupert of Allenport, hied away to Greensburg on the 16th of June, where they were married by the Rev. H. D. Whitefied of that place. The marriage was kept quiet until a few days ago, when the news leaked out and Frank was made the recipient of numerous congratulations on the part of his friends. Frank's honeymoon, however, will be of short duration, as he will have to report Sunday morning to Capt. Hartland of Company A. Tenth Regiment for military service for duty during the war.

MONESSEN COUNCIL REFUSES PRIVILEGES

The council of Monessen, at a meeting held Wednesday night, refused to grant a franchise to the street car company to operate the larger cars in that borough. The ordinance had passed council, but the burgess vetoed the measure, which action was sustained by council, as there were not sufficient votes to override the veto.

Sign a Card.

Every woman in a household fifteen years of age or over whether one of the family or an employe, should sign a registration card. If you have been missed, call on the Chairman of your district, or at the office of this newspaper and sign.

NO PAROLE FOR GERMANS

When Uncle Sam has German prisoners of war in his keeping he will need to remember that they can not be paroled, "even in the case of an officer and a gentleman." Under the parole system, widely employed in modern times a prisoner of war in return for conditional freedom, gives his word of honor that he will return to custody at a specified time. Ordinarily this is safe enough, but it is not safe to trust German prisoners, as the English have found to their cost and as even neutral America found at the expense of much annoyance and disagreeable complication.

The story of Von Papen and Boy-Ed and the diplomatic treachery in the German embassy at Washington is generally known, but it is not so vividly remembered that one German officer after another deliberately violated his word of honor given the American authorities in charge of his interment. Concrete cases are plentiful in our records of the past three years. For example, six officers of the interned Kronprinz Wilhelm were permitted to go ashore at Norfolk, Va., on parole in October, 1916 but did not return and have not been seen since. In September of the same year three officers of the Prince Eitel Friedrich were given parole and did not return. There were other cases, so many of them, in fact, that one wonders at the willingness of the authorities to go on accepting paroles from interned Germans. Asked for an explanation by our State Department in one instance, Ambassador Rantzoff answered evasively, [illegible] have broken [illegible] dishonored orders."

The reply of the Berlin government to our State Department's inquiries was more disingenuous still, giving the view of the German Admiralty to the effect that there was a difference between a "pledge" and a "word of honor" and unblushingly contending that "the persons who escaped" were "obviously convinced that they would not, through their act, render themselves guilty of a breach of their word of honor." It is only reasonable to conclude that on their return to Germany the "persons who escaped" by breaking their word, instead of being scorned among officers and gentlemen, were acclaimed for putting themselves in a position to serve their country further. That, with the Germans, appears to be the one and only thing. Apparently the German officer can violate his word of honor, or commit any act, however frightful, inhuman, or outlawed by the world at large, if only he can urge in excuse that he regarded it as in his country's interests.

Such is the scarcity of leather in the German empire that the people of Saxony have been recommended by the authorities to go barefooted in order to save their shoes for winter. There was once a "barefoot cure" of German origin, but to be shoeless involuntarily under the demand of leather conservation will be found less agreeable than to go shoeless in search of health among plenty of shoes.

The quiet of the restless and invincible Villa is strongly suggestive of the grave and certainly tends to confirm the belief that he was killed in Pershing's expedition into Mexico last year and that since then his ghost has been employed by name merely in order to keep his dwindling brigand bands together and to take from Americans the credit of putting an end to him.

At first the Germans refused to believe that any American soldiers had reached France. Then they admitted that a handful had arrived and sneeringly asserted that these were being carried round like a circus for the French to look at and be cheered by. The Germans are welcome to their harmless merriment until they are made serious by contact with Americans on the battle front.

GARDEN COLUMN

By National Emergency Food Garden Commission

Canning.

There are a number of wild and cultivated greens which may be canned and utilized for food during the winter months, says today's bulletin from the National Emergency Food Garden Commission, which is co-operating with this newspaper in a campaign to induce the housewives of the country to conserve the food. Among the greens available at this time are Marsh Marigold, Pokeweed Sprouts, Smartweed, Pepper, Cress, Lamb's-quarter, Sour Dock and Pusley (purslane.)

These greens should be sorted carefully to free them from all foreign and dry or dead leaves, then wash in cold water. Greens should be blanched for fifteen minutes in steam and then plunged for an instant into cold water. A good way to do this is to use a wire crate or a cheesecloth bag. After blanching and cold dipping, cut [illegible] lengths and pack tightly into jars, adding one level teaspoonful of salt to each quart. If flavoring is desired, olive oil, chipped beef or a few slices of bacon may be added.

Add hot water to fill containers, adjust and partially tighten tops and sterilize in boiling water for two hours. When jars have been treated the required length of time, remove from boiling water, tighten tops and invert to cool in place free from draughts. Wrap in dark paper to prevent bleaching in storage.

CONSCRIPTS WILL HAVE NO CHOICE OF SERVICE

Men selected by draft for service in the new National Army will have no option as to which branch of the service they would like to be assigned. If a man volunteers prior to the date of the draft, he can select the arm of service in which he prefers, but after the draft has been made he is at the service of the nation and will go wherever he is sent. Some men have had the notion they can select the particular field in which they prefer to serve after they have been drafted, but if they dish to exercise this privilege it will have to be done before the drawing.

PRESBYTERIANS HAVE AN ENJOYABLE OUTING

The Washington Avenue Presbyterian picnic on Friday was largely attended and it proved to be an enjoyable occasion. A good program of sports had been arranged and the day was all that could be desired for carrying them out. The ball game between two teams captained by Joseph Steck and John Lander respectively was hotly contested, and the one outstanding feature was the heavy hitting of Charleroi's boro clerk, Ira L. Nickeson. The score was undetermined and final decision will be made one year from date on the same grounds.

In the horse shoe pitching a team composed of Dr. J. W. Manon and James Dawson walked off with the honors. The sprinting sport was popular. In the races for boys under 12 a baseball glove was won by Russell Hill; boys 12 to 15, a baseball was won by William Dawson. In the girls' race, Marie Lancaster and Mildred Sangston won the prizes. The men's race was a spirited one, and the final decision of the judges was that the honors should be equally divided between Dr. Edwin McKay and Rev. Burson

In the evening hour a patriotic service was held in the tent and special mention was made of the boys who have gone out from the Sunday school to defend the flag.

JESS WILLARD AND WILO WEST AT PARK

The Jess Willard-Buffalo Bill Wild West Shows are entertaining the people of Charleroi and community on the ball grounds this afternoon and evening. The show arrived from Monessen early last evening, where it gave two exhibitions, and had everything in readiness at the local park by noontime for two big exhibitions which are to be given here.

The parade took place at noon, and it was a kaleidoscopic panorama of early days of the west, "the west of memory", for the characters which made the west famous a few decades ago have all passed away. In it [illegible] Paul Hall were the cowboys and cowgirls, the Indians, Cossacks, the Japanese as well as the old stage coach and the old time prairie schooner, whose prototype carried the early emigrants across the plains when the west was being opened to settlement and civilization.

The streets were crowded with people to witness the display, which, while following the general line of all such exhibits, had a taste of the old "West" in the bright and gaudy make-up of the Indians, who were such conspicuous features of the parade.

Other features were of course interesting, and all gave a hint as to what could be expected under the big tent where the program is being given this afternoon, and where it will be repeated this evening.

Jesse Willard appears at both performances, and this fact will serve to draw many of those who enjoy seeing an exhibition of the art of self defense, in which Jess is past-master, and in which he attained to fame and fortune.

DOCK STRIKE WAS OF SHORT DURATION

The strike which was ordered at the Elizabeth Marine Ways on Monday last was of short duration. The men came out on Monday for an advance in wages, which was granted by the Pittsburg Coal company on Tuesday, and Wednesday morning the men returned to work. About 150 men are employed at the Elizabeth docks, most of them being skilled ship carpenters.

RODGERS FILES ANSWER TO SUIT FOR DAMAGES

John S. Rodgers has filed an answer to the suit brought against him by C. F. Reed, a claim for compensation for damages to a certain tramway erected for the purpose of conveying coal from a mine in Fallowfield township, part of said tramway being on the Rodgers farm. The plaintiff averred that the defendant wilfully and maliciously destroyed this tramway and interfered with the rights of the plaintiff. The defendant avers that having found the plaintiff disregarding his orders to keep off the property, in which the defendant is interested, he removed several rails and several ties where the tramway had been constructed over a private road used in farming operations on the Rodgers farm. Also, that he further graded the road of the tramway where it crossed this private road. It is averred that at no time did the plaintiff have consent to go upon the Rodgers place and that he had full and legal notice to keep off the same.

AUGUST VALENTOUR IS REPUBLICAN CANDIDATE FOR COUNTY RECORDER

August Valentour.

August Valentour of McDonald today makes his formal announcement as a candidate for the Republican nomination for the office of recorder of deeds of Washington county. Mr. Valentour is one of the best known citizens of the northern end of the county, having been a resident of Midway and McDonald since 1874, being permanently located in McDonald since 1883. His occupation since early youth has been divided into five distinct branches, viz: Glassworker, coal miner, farmer, maker and shipper of oak staves for foreign markets, devoting about three and one half years to each of these activities. Since 1885 Mr. Valentour has been engaged in mercantile pursuits, together with real estate operations and notarial work. He has always been a Republican in principle and in fact has unstintedly given his time and influence to the election of national, State, and county officeholders. In 1893 Mr. Valentour was elected a delegate to the State convention which nominated Daniel H. Hastings for governor. Mr. Valentour has never held an office of profit at the hands of the party which he has served so diligently and his friends feel that his present candidacy is one of undoubted merit. He and his friends appreciate the fact that integrity, fidelity and efficiency are requisite qualifications for one aspiring to an office of the importance of that of recorder of deeds. Mr. Valentour possesses these qualities and is presenting himself as a candidate it is with the purpose of rendering a degree of service, should he be successful, that shall have his best and careful attention at all times. 25-t1

A WOMAN'S BACK

The Advice of This Charleroi Woman is of Certain Value.

Many a woman's back has many aches and pains.

Oft times 'tis the kidneys' fault.

That's why Doans Kidney Pills are so effective.

Many Charleroi women know this.

Read what one has to say about it:

Mrs. Fred Jackson, 207 Prospect avenue, Charleroi, says: "I was troubled by a constant backache. If I did a little extra work the pain in my back was intense. I didn't rest well at night and got up in the morning lame and stiff. If I stooped, sharp pains caught me and I could hardly straighten. I also had rheumatic pains in my back and arms and I couldn't do any sweeping. Dizzy spells and hot flashes bothered me terribly. As Doan's Kidney Pills had been used in the family, I got a box at Piper Bros.' Drug Store and began taking them. One box practically cured me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mrs. Jackson. Foster-Milburn Co., Props., Buffalo, N. Y. 40
